September 10, 2011

Dear Buchanan Area Jazz Families,

Mark your calendars!!! On February 24th and 25th 2012, Buchanan High School will host the 24th Annual San Joaquin Valley Jazz Festival! This Festival is the main fund raiser for the BEC jazz program and is organized through the efforts of parents and students involved in the Buchanan and Alta Sierra music programs. It has grown over the years to become a major attraction for school jazz performers, jazz clinics and jazz concerts in California.

We are very excited to be doing the majority of the festival at the Paul Shaghoian Concert Hall. The two night, one day festival will continue the "kick off concert", and a "closing concert" and add the all day Saturday schedule of bands performing non-competitively in this state of the art facility.

Some things will not change, this year's festival will again feature some of the country's most sought after adjudicators. Please take a few minutes to go to the website and learn about these judges that are not only educators at some of the top educational institutions in the country, but are all amazing and talented musicians and composers in their own right.

Our Friday night kick off concert features Gilbert Castellanos and The Hammond B3 Quartet. Saturday's closing concert will feature The Ben Allison Quartet. Times and ticket information for both night concerts at the Concert Hall have been posted on the festival ticket page.

An event of this magnitude could not be possible without the dedication of a number of parents volunteers, administrators, band directors, students, and of course, generous supporters like you!

Enclosed you will find a sponsorship form for your consideration. There are many levels of sponsorships for both businesses and individuals, and all contributions make a difference.

Please complete the attached form and return with your print ready art work if applicable, and generous donation to the address below by February 10, 2012. Thank you in advance for your support of the 24th Annual San Joaquin Valley Jazz Festival. We look forward to hearing from you!

Sincerely,
